

## Trazza Fine Lebanese Foods

### Dishwasher/Cleaning and Sanitization

We are looking for an individual who is clean, organized, and able to work independently. We will hire you for your attitude and train for skills.

Trazza is a local manufacturer of fresh and authentic, preservative free, Lebanese food. We currently serve nearly 100 stores and businesses in the Portland/Vancouver metropolitan area. We are moving to a brand new, state of the art, manufacturing facility in Tualatin, and we need talented and enthusiastic individuals to grow with us!

Duties will include:

- Being trained in cleaning and sanitization of equipment and facility.
- Washing all kitchenware, including cookware, following the standard codes learned in cleaning and sanitization training established by our company
- Cleaning aspects of the facility at the end of the workday, following the standard codes.
- Wash all uniforms and washcloths using the washing machine and dryer located in our facility

Food handlers permit required.
