

## TRAZZA Fine Lebanese Food - Packaging Job Description

The Packaging Team is responsible for processing all prepared perishable products into wholesale and retail packages, as well as filling customer orders, in a sanitary and temperature controlled environment that protects product integrity and shelf life.

All packaging team members must possess a current Food Handlers Card for the state of Oregon and practice attentive and consistent sanitary food handling techniques.

Team members must be able to:

- Stand at their workstation and perform filling techniques that involve thumb, wrist, elbow and shoulder repetitive motions.
- Operate automated packaging equipment as trained.
- Carry up to 30 lb and lift it to table top height.
- Understand English written and verbal instructions and be able to communicate verbally and record numbers.
- Use scales in both metric and American Standard weight units including decimals.
- Be able to maintain a clean work area.
- Develop accuracy and speed in filling packages.
- Be prepared to learn and perform different packaging steps as needed.
- Understand 4-digit date formats and be able to read a simple spreadsheet.
- Be able to use, read and record readings on an infrared digital thermometer.
- Be detail oriented with a team attitude.
- Reflect Trazza core values.
- Package in a 45 degree room for food quality control.

Shift duties may vary and include dish washing.
